## Reading for Pleasure: Transforming your school's reading culture (TSRC)

### Evidence-based leadership CPD for primary English Leads

The TSRC programme is a sustained, research based CPD programme aimed at primary English Leads. During the course of the programme participants will engage deeply with reading for pleasure pedagogy and leadership theory to transform their school's reading culture. Participants will attend 5 sessions and complete gap tasks in between sessions. Those who commit will be expected to attend all sessions.

#### Programme aims:

- Understand the research underpinning RfP practice and pedagogy
- Widen knowledge of children's literature
- Transform whole school reading culture in your school
- Develop the leadership skills to initiate and sustain change
- Become advocates for RfP and share experiences and best practice

#### Facilitators:

The sessions will be facilitated by Katharine Young (Deputy Head) and Sam Creighton (Literacy Lead). Both trainers are based at Elmhurst Primary School and are experienced in developing RfP in the classroom and more widely. Katharine wrote the TSRC for the wider English Hub network and is supporting other Hubs in the roll-out of this programme. Elmhurst Primary School is a Joint Winner of the Egmont Whole School Reading for Pleasure Award for 2019 and was awarded the UKLA Literacy School of the Year for 2023.
